

Are you a Kroger shopper? Would you like to support Beth Adam and have it cost you nothing? Then please support our congregation by using the **Kroger Neighborhood Reward Card**. It works just like a gift card and may be used at any Kroger store, affiliated store nation-wide, or Kroger gas station. Here's how it works:

- Load your card with any amount up to \$250.00 **before** you check out. You can do this at the service desk or the register.
- You can still pay with your credit card if you like.
- You can still use your *Kroger Plus Card* at the register.
- Kroger will send a 4% rebate of all your purchases to Beth Adam.

Just to give you an idea of the fund raising potential of this program, assume you spend a \$100 a week at the supermarket. At the end of the year you would have made a \$208 contribution without spending anything extra. If 50% of Beth Adam households participate and spend on average \$100 each week, Beth Adam would receive close to \$23,000 each year. These funds will go a long way towards supporting religious school, adult education, and other Beth Adam programs that are important to you.

The cards make great gifts too! To order, simply complete the bottom portion of this page, place it in an envelope, enclose your payment and mail to:
